COLLEGE SCIENCE WEEK

SCIENTIFIC CONFERENCE

PROGRAM
The College Science Week conference will encourage excellence in veterinary science. College Members and Fellows and invited guests who are at the forefront in their fields will present the latest information in a number of disciplines.

REGISTRATION
A registration form is included with this program. All registrations can be made either through the College website www.anzcvs.org.au or through the College office and are payable before 1 July 2017. The conference runs for 3 days: Thursday, Friday and Saturday. Please note we have been advised by the venue management that registration numbers are limited to 500.

ACCOMMODATION
Accommodation is available at QT Gold Coast Hotel. All accommodation bookings should be made directly with the hotel or on the accommodation form provided with this program.

ANNUAL GENERAL MEETING
The College Annual General Meeting will be held at 5.30 p.m. on Friday 7 July in Sunset Room Two, First Floor, QT Gold Coast. AGM documents will be circulated to members in advance of the meeting.

DINNER
The College Awards Dinner, including entertainment by duo Firefly, will be held in the Ballroom, QT Hotel, Surfers Paradise on Saturday 8 July at 7:00 pm. Partners are welcome. The cost of $160 per person includes dinner, wine, beer and soft drinks. Entry is strictly by ticket only available from the College office.

ENQUIRIES
All enquiries should be made to the College Office, Building 3, Garden City Office Park, 2404 Logan Road, Eight Mile Plains, Qld. 4113, Telephone: +61(0) 7 3423 2016, Fax: +61(0) 7 3423 2977, Email: admin@anzcvs.org.au

WIFI
Complimentary WiFi is available throughout the hotel during the conference.

<td>The Small Animal Medicine and Feline Chapters invite postgraduate students, residents, interns, clinicians, and researchers to submit abstracts of practical and scientific topics related to canine and feline medicine. Abstracts can be focused on applied or clinical research. Case series describing unusual or difficult cases and outstanding single case reports will additionally be considered.</td>
<td>The Emergency and Critical Care Chapter invites interns, young speakers, residents and established clinicians/investigators to submit abstracts. Interns, residents, graduate students and other speakers that do not have a specialist qualification must have a mentor and this person should be identified with the submission. There will be opportunity for a joint session with the Surgery Chapter so submission of abstracts relating to Emergency and Surgery will be considered.</td>
